2013/01/10, é€±â'»

Converse takes an extra 25% off select sale items. (The discount is reflected in-cart.) With deals starting at \$7.49 after the discount, that's the best sale we've seen from Converse since we saw the same discount sitewide three weeks ago. Shipping adds \$5.95 and sales tax is added where applicable. Deal ends January 16.

A best bet is the Converse Chuck Taylor Unisex Hiker Sneakers in Black (pictured) for \$44.99. In cart, it falls to \$33.74. With \$5.95 for shipping, that's the lowest total price we could find by \$8. They're available in men's sizes 6.5 to 13 and women's sizes 8.5 to 15.
